Fall 2018 - Spring 2019

Extended Day provides care for your child until 4:10 p.m. (half-time) or 6 p.m. (full-time), depending on your needs. If you do not need every day Extended Day care, we offer 35 full-time days or 10 day packages. You must e-mail skarr@houstonisd.org one day prior to your child's stay, be sure their teacher is aware of pick-up arrangements.

Extended Day enrollment can now be done for the school year, specialty classes will need to be renewed for the spring semester.

If you need care the first day of the fall semester we must receive forms by August 23. Your previous balance must be paid in full in order to register for the next semester. Once the semester begins, we must receive registration forms and half the payment per semester for your child at least 2 days prior to their stay in Extended Day.

The complete balance for the Fall 2019 semester must be paid by November 30, 2018. Please make all payments to Mark Twain Elementary with your child's name in the memo. You may pay by either check, money order, or School Pay <https://www.schoolpay.com/pay/for/Extended-Day-Program/ld8JO>.

There will not be Extended Day on the last day of school, May 31, 2019.

Specialty classes will begin the second week of the semester September 4 and end December 14. If you would like to re-enroll for specialties, forms will be available late November.

Scholarships are available for students enrolled in the free or reduced lunch program. You must submit proof of lunch status.

Feel free to e-mail Stacey Karr with any questions- skarr@houstonisd.org
